Re: Severstal Columbus (Hazardous Waste ID #MSR000103143)
Annual Reports Required by 40 C.F.R. § 262.56
for reporting years 2010, 2011, 2012

Dear Mr. Heiss,

After conducting an internal environmental audit, Severstal Columbus, LLC ("Severstal") has recently discovered that annual reports required by Section 262.56 for reporting years 2010, 2011 and 2012 were not filed with your office. In an effort to remedy this issue, Severstal makes this self-disclosure and submits the required reports for your review. Severstal began exportation of steel dust (K061 waste) to Mexico in 2010. Notices of Intent to Export have been filed by Severstal since export operations began and Acknowledgements of Consent were received. We are unsure as to why the annual reports were not previously filed, but we have instituted remedial measures to ensure the reports are timely filed going forward.

If you have any questions concerning this matter, please do not hesitate to contact me at 662- 245-4242.

Sincerely,

Stan Atkins
Environmental Manager
